ABOUT ME

A Graphic Designer with six years of experience working as the lead designer of Studio Shodwe and overseeing the individual project for brand development. Expert in video and layout creation, which is proved to be a valuable addition to developing the company's design project.

Always use the out-of-the-box principle in creating the project, so it will come out with more powerful exposure and strength to attract public attention to the promotion campaign. Hard worker and have experience in leading a team of designers, and I can't wait to implement my skill and experience in your company.

EXPERIENCE

Graphic Designer Intern
Studio Shodwe (2016 - 2017)

Edited still photo for display on Fauget online store mobile app.

Partnered with other interns to create a new layout for the recipe book by Aaron Loeb. It receives a satisfactory response from the author of the book. He said it represents his cooking purpose and style perfectly.

Professional Graphic Designer
Studio Shodwe (2017 - Present)

Created original graphic of the booth display for the Borcelle autumn fashion event.

Collaborated with the sales team to create the sales content for the promotion campaign of the Ingoude Company's 10th Anniversary.
